About us

Work, Reimagined

oneworx was created with one idea in mind — *to make workspaces feel human again.* We mix the calm of good design with the energy of a great community, so every day feels balanced and inspiring.

Work Made Easy

At **oneworx**, you'll find high-speed internet, thoughtfully curated amenities, and a friendly team that genuinely cares about your experience. It's a coworking space built around people — not just productivity.

Local. Flexible. Yours.

With multiple centers across Bhopal, **oneworx** offers flexible workspaces, reliable tech, and thoughtful service creating a home to freelancers, entrepreneurs, startups, and small businesses — each finding their own rhythm here.

Memberships

Private Office

Need your own enclosed space to think, meet, and grow? Our private offices give you — independence with support.

Each cabin is designed for focus and comfort, with ample storage, ergonomic furniture, and climate control. Perfect for small teams, startups, or companies that prefer privacy without the overhead of a long-term lease.

What's inside:

- Private cabin with ergonomic setup
- High-speed internet (LAN + Wi-Fi)
- Access to meeting rooms
- 24x7 biometric access
- Pantry and café facilities
- Daily housekeeping

Dedicated Open Workspace

Stay connected to the energy around you while having your own dedicated space. Our open workstations are designed for freelancers, consultants, creative professionals — and even growing companies who enjoy the buzz of a shared environment without the chaos.

With a permanent desk that's always yours, you get the consistency of an office and the vibe of a coworking hub. Surround yourself with motivated people, enjoy café breaks, and plug into a network that inspires new ideas.

Includes:

- Fixed desk with storage and power
- Reliable high-speed Wi-Fi
- Access to meeting rooms
- Printing services
- Pantry access
- Member events and networking sessions

Private Cabins

Our private cabins are compact yet complete — perfect for small teams and managers who want to collaborate closely while maintaining privacy. Every cabin is air-conditioned, acoustically balanced, and filled with natural light to keep your team comfortable and focused.

Make the space your own: add branding, rearrange your layout, or simply move in and start working. With full access to shared amenities, you get the best of both worlds — dedicated privacy with the vibrancy of a coworking community.

Amenities:

- Fixed desk with storage and power
- Reliable high-speed Wi-Fi
- Access to meeting rooms
- Customisable layout & team branding options
- Printing services
- Pantry access
- Member events and networking sessions
- Customisable layout & team branding options

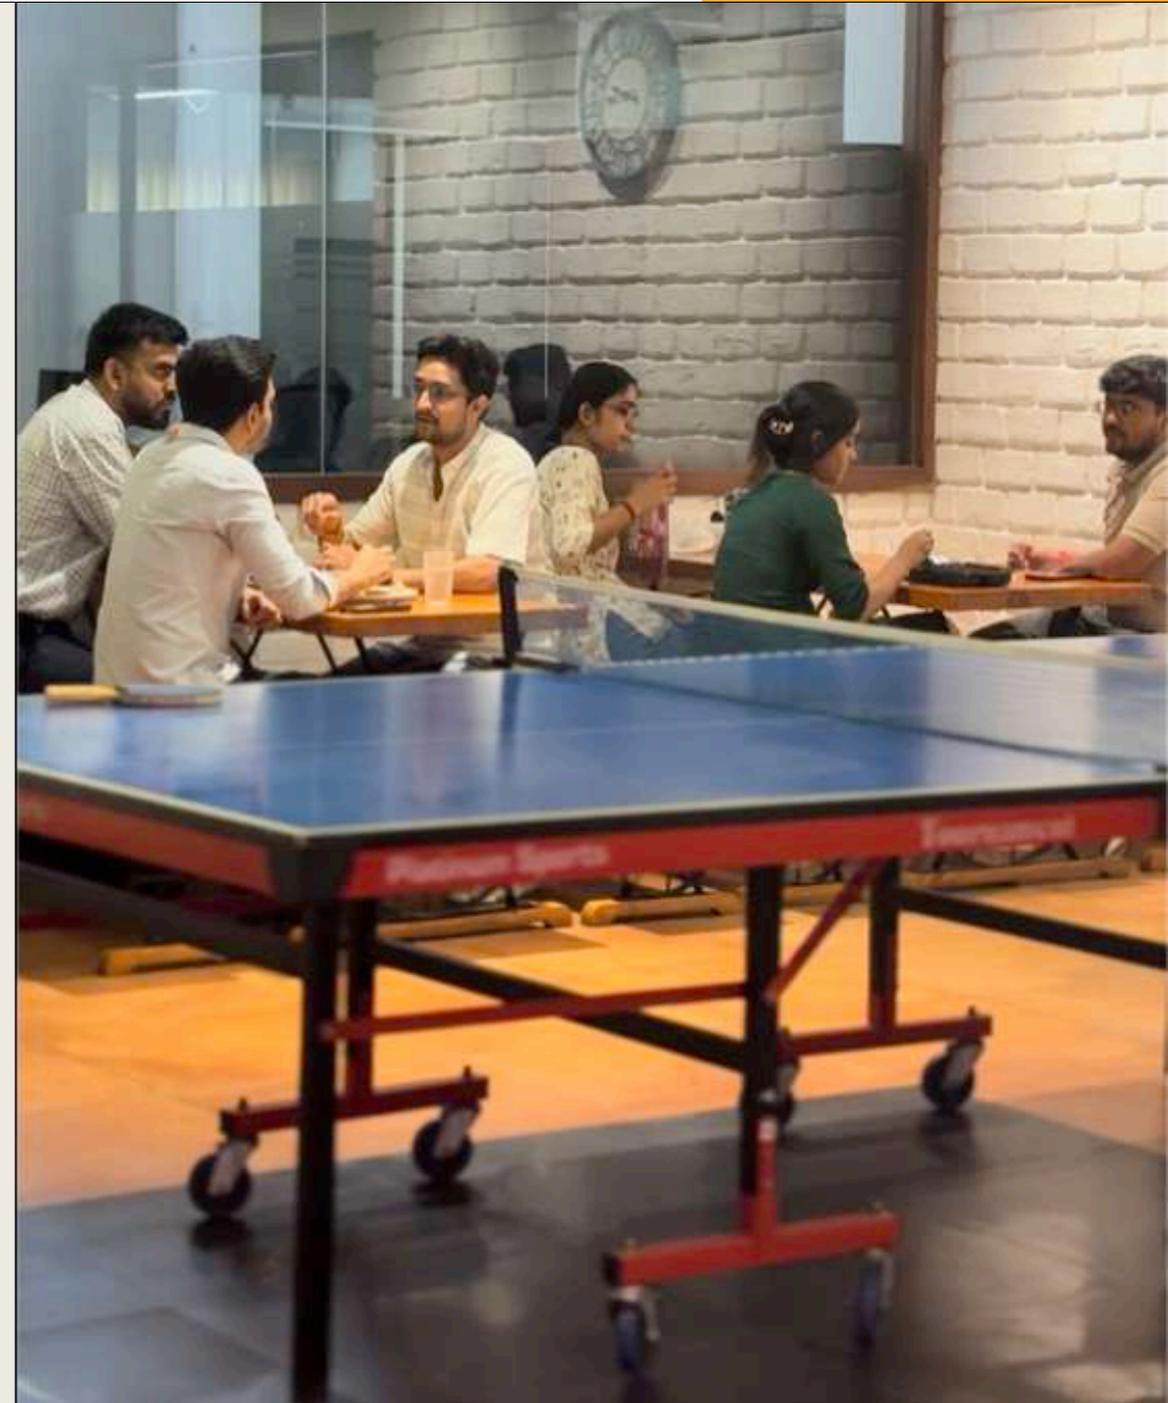

Flexible Plans

Work isn't one-size-fits-all — and neither are our plans. Whether you want a desk for a day, a base for a project, or a full-time office for your team, oneworx lets you choose how you work.

Our plans are designed to scale with your needs, giving you complete freedom to upgrade, downsize, or move across locations as you grow.

Comfort & Breakout Spaces

Nap Room

Sometimes a short break is all you need to feel brand new. Step into our nap room — a quiet, cozy space designed to help you unwind, stretch out, and recharge your mind. Rest a little, refocus, and get back refreshed.

One Deli

Our in-house café keeps you fuelled through the day with fresh food, coffee, and conversation. Grab a quick breakfast before work or catch up with a teammate over lunch — it's the social heart of **oneworx**.

Phone Booths

Take your calls in peace inside our fully soundproof phone booths. Ideal for video meetings or quick catch-ups. Stay connected, speak freely, and get things done without any background noise.

Clean Washrooms

Our washrooms are cleaned multiple times a day to ensure a comfortable, spotless experience for every member. Stocked with essentials and designed to feel calm and private, they're one more way we make your workday smoother.

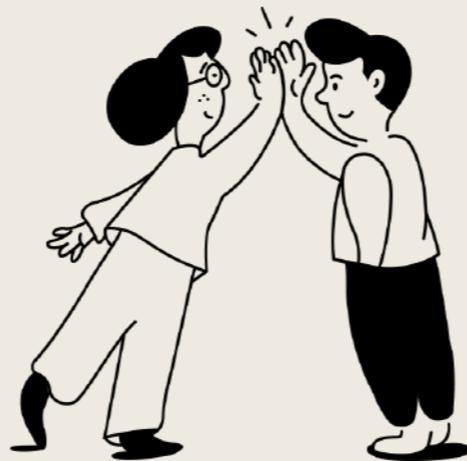

Community and Member Events

oneworx is more than desks and décor — it's a living, breathing community.

We host events that range from skill workshops and startup mixers to wellness sessions and movie nights. It's how we bring together our diverse members, spark collaborations, and make workdays more enjoyable.

Join in, share ideas, or just relax with people who inspire you.

Here, work meets community - and friendships happen naturally.
